

# Proposal for Center for Bioethics and Medical Humanities Research Pilot/Exploratory Grant 2022-2023

## **About the Center for Bioethics and Medical Humanities:**

The vision of the Center for Bioethics and Medical Humanities is to lead local, national, and global efforts in bioethics and medical humanities that improve healthcare education, delivery, research, and scholarship. The mission of the Center for Bioethics and Medical Humanities is to advance bioethics and medical humanities at Northwestern and beyond through education, innovation, clinical application, and thought leadership

## **Purpose:**

The Center for Bioethics and Medical Humanities will fund pilot/exploratory grants that support research in bioethics and medical humanities. This award will provide funding for pilot/exploratory projects that consider an important emerging or unanswered bioethics problem in clinical care, biomedical research, public health, or healthcare policy. The aim is to support preliminary work that will provide a foundation for obtaining funding that supports larger research projects.

Preference will be given to proposals with a clearly delineated plan for obtaining subsequent extramural or internal funding.

## **Award Information:**

Projects can be up to one year in duration. Awards up to \$2,500.00 (total costs) will be granted.

## **Eligibility:**

To be eligible for a pilot/exploratory project grant, applicants must be one of the following:

- A Northwestern University Feinberg School of Medicine medical student, resident, or fellow\*
- An employee of Northwestern Memorial Hospital, Shirley Ryan AbilityLab, or Ann & Robert H. Lurie Children's Hospital\*
- A Northwestern University Feinberg School of Medicine faculty member

\*All medical students, residents, fellows, and employees should identify a Northwestern University faculty member mentor with whom to collaborate. Mentor qualifications and plans for mentor oversight should be described in the proposal.

Applicants must have the backing of a department or center who can receive the funds in full and process all payments related to the project. Applicants may apply to no more than one grant per year from the Center for Bioethics and Medical Humanities.

## **Requirements:**

All awardees will agree to the following:

- Become a membership to the Center for Bioethics and Medical Humanities.
- Present results of the funded research at a conference sponsored by the Center for Bioethics and Medical Humanities.

- Prepare two progress reports, one halfway through the period of funding, and one at the end of the period of funding.
- Acknowledge funding from the Center for Bioethics and Medical Humanities in presentations and publications.

**How to apply:**

Applications should not exceed 5 pages and should include the following:

- A completed Cover Page (included below; 1 page)
- A proposal narrative with the following headings (up to 3 pages):
  - o Specific Aims
  - o Background and Significance
