Virtual Professional Development Workshop

July 9, 2021

9:30 AM – 5:30 PM (CST)

Virtual Professional Development Workshop

July 9, 2021, from 9:30 AM – 5:30 PM (CST)

The EPEC Professional Development Workshop (PDW) is a one-day virtual conference that focuses on “teaching about teaching.” The day will begin with brief didactic presentations on three core teaching approaches (interactive lectures, small group teaching and role play) that are used in the EPEC program and many other teaching settings. Following these presentations, participants will have the opportunity to practice and get feedback using these three approaches. Throughout, we will consider relevance to virtual and in-person teaching. The small groups in this conference will have a maximum of 10 participants.

This workshop is open to all EPEC Trainers and all others, of any discipline, who wish to improve their teaching techniques.

OBJECTIVES

- Describe interactive teaching techniques relevant for virtual and in-person teaching.
- Practice and receive feedback on teaching techniques.

AGENDA

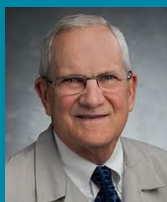

9:30-10:00	Welcome and Introduction
10:00-10:30	Giving Interactive Lectures: didactic
10:30-11:00	Case-Based Teaching: didactic
11:00-11:10	Break
